Dear Store Manager,

As a loyal customer of yours, I am requesting that you carry Free For All Kitchen Gluten-Free Snack Crackers, made by PARTNERS, A Tasteful Choice Company, at your store. I can buy these products elsewhere, but I would love to buy them here.

PARTNERS makes a variety of products made exclusively from high quality, wholesome, non-GMO ingredients. Free For All Kitchen Crackers are great because they are gluten-free, healthy and hearty, and more importantly, they taste delicious too!

With three distinct flavors to choose from: Roasted Garlic & Rosemary, Olive Oil & Sea Salt, and Olive Oil & Herb; these gluten-free crackers complement everything from cheeses and soups to the most exotic dips and spreads.

For more information about distributors in your area, please call PARTNERS at 1-800-632-7477 or e-mail service@partnerscrackers.com.

Thank you!
