## BLUE STAR FARMS ORGANIC CRACKERS

Dear Store Manager,

As a loyal customer of yours, I am requesting that you carry PARTNERS Blue Star Farms Organic Crackers at your store. I can buy these products elsewhere, but I would love to buy them here.

PARTNERS, A Tasteful Choice Company, makes a variety of products made exclusively from high quality, wholesome, non-GMO ingredients. Blue Star Farms Crackers are great because they are healthy and hearty, certified Organic, and more importantly, they taste delicious too!

With three distinct flavors to choose from: Whole Wheat, Multigrain & Flax, and Sprouted Lentil & Ancient Grains; Blue Star Farms Organic Crackers complement everything from traditional cheeses and soups to the most exotic dips and spreads.

For more information about distributors in your area, please call PARTNERS at 1-800-632-7477 or e-mail [service@partnerscrackers.com](mailto:service@partnerscrackers.com).
