Dear Store Manager,

As a loyal customer of yours, I am requesting that you carry Wisecrackers Snack Crackers at your store. I can buy these products elsewhere, but I would love to buy them here.

PARTNERS, A Tasteful Choice Company, makes a variety of products made exclusively from high quality, wholesome, non-GMO ingredients. Wisecrackers Snack Crackers are great because they are healthy and hearty, and more importantly, they taste delicious too!

With four distinct flavors to choose from: Roasted Garlic with Rosemary, Spicy Pepper, Toasted Sesame, and Everything & More; Wisecrackers complement everything from traditional cheeses and soups to the most exotic dips and spreads.

For more information about distributors in your area, please call PARTNERS at 1-800-632-7477 or e-mail service@partnerscrackers.com.
